1. I understand that this instrument is rented on a monthly basis, the fee for which is **payable in advance**, and is due on the \_\_\_\_\_ of every month. **Payment 15 days past due will be subject to a late fee of \$2.00 per month, per instrument..**

2. If the rental account becomes fifteen (15) **days past due, I the Renter, authorize** Ifshin Violins to charge the past-due rent and late fees to my credit card. The renter agrees to renew the credit card until termination of this agreement or provide another Visa, MasterCard or Discover number. 4. I understand that there is no term limit to this contract. Return of the instrument and payment in full will terminate this contract. I will have a grace period of five (5) working days after the due date to return this instrument, after which, the next month's rent is due and payable in full. I understand that (other than the 5 days grace period), Ifshin Violins does not prorate rent. I understand that I shall be liable for any past-due rent, fees, or any repairs not covered by the Accident Coverage.

5. I understand that, regardless of the renter's residency, the tax rate is that of Contra Costa County in California. Also, Ifshin Violins will be bound by the terms and limitations of this agreement until I return or exchange the instrument. At such time, Ifshin Violins reserves the right to change terms, and/or rental fees at their discretion.

6. Instruments are rented in good condition, with no raw wood showing. Ifshin Violins will clean the instruments and adjust pegs, tailgut, tuners, soundpost, bridge, fingerboard, glue seams, replace strings and bow hair as needed, at no cost to the renter. Any other repairs due to damage, neglect, or accident, including fire and theft, shall be charged to the renter. Rental instruments are **not insured by Ifshin Violins**. The renter agrees **not to take the bow or instrument to another shop for repairs** without prior authorization of Ifshin Violins. The security deposit may be used towards the cost of repairs.

7. **This is not a "Rent-to-Own"** agreement. After renting the instrument for **at least one year**, the renter understands that six (6) months rental (principal) may be allowed towards the purchase of an instrument through our sales department or select Rental instruments. Subsequently, the renter will accrue rental credit at 30% of rental principal for each individual student (rental equity). The renter may use 6 month's rental credit or 30% of the accrued rental principal paid towards the purchase of an instrument.

8. If the instrument is removed from the renter's primary residence for an extended period of time (more than 45 days) or if the renter moves, Ifshin Violins **must be notified** of the instrument's new climate or location.

9. Should the renter violate the terms or conditions of this agreement, or declare bankruptcy, Ifshin Violins may take possession of the rental instrument. The instrument is and shall remain the property of Ifshin Violins. **The renter agrees to return the instrument immediately upon demand.** In the event that Ifshin Violins retains an attorney or collection agency to recover the instrument or the value of the instrument and the rent due, the renter agrees to pay reasonable collection fees or attorney fees and court costs.

#### AGREEMENT OF CONDITION

I agree that the instrument I am renting is in good condition, **with no raw wood showing or open cracks**. I understand that the instrument is to be kept in its case or bag whenever it is not being played and that it should not be left in any place where it may be knocked over, or have something knocked over onto it. I understand that the top is especially vulnerable and that the edges may chip and break if dropped or bumped.

I agree to keep the rental instrument, including the bow, away from extreme hot or cold temperatures and humidity. I will not leave the instrument in the trunk of a car, in an unoccupied car, or otherwise unattended. I understand that the bow hair must be kept loosened whenever it is not in use. **I have received a care brochure from Ifshin Violins and agree to follow its recommendations.**

I assume full responsibility for the care and safety of the instrument until I return it to Ifshin Violins. I agree to pay for any repairs that may be necessary upon return of the instrument to Ifshin Violins, which include but are not restricted to the following: **damages such as cracks, broken corners or edges, dents, and/or damaged varnish.**
